

## **Honor Roll Guidelines – (Grade 7 to 12)**

### Positive Expectations:

3. Have respect for yourself.
  - a. Strive for academic excellence

Students will be recognized for academic achievement on Honor Roll plaques by grade for achieving the following Honor Roll requirements:

### Honors:

- From grade 7 to 11, students must have a minimum 80% average in all courses with all final marks at or above 50%. Half credit courses will be weighted accordingly in obtaining this average. Grade 11 students must have successfully completed the mandatory PE course.
- Grade 12 students must have a minimum 80% average in the two required courses (ELA, Math) plus the number of courses the student requires to meet graduation requirements, and successfully complete the mandatory PE course.
  - Students achieving Honors in grade 12 will wear a silver band at graduation exercises.

### Honors with Distinction:

- From grade 7 to 11, students must have a minimum 90% average in all courses with all final marks at or above 50%. Half credit courses will be weighted accordingly in obtaining this average. Grade 11 students must have successfully completed the mandatory PE course.
- Grade 12 students must have a minimum 90% average in the two required courses (ELA, Math) plus the number of courses the student requires to meet graduation requirements, and successfully complete the mandatory PE course.
  - Students achieving Honors with Distinction in grade 12 will wear a gold band at graduation exercises.
