

# Numeracy Leader Presentation

## My Role

- A liaison between the teachers and the division.
- In-class support of teachers.
- Guided reflection with teachers.
- Data inquiry process.
- Professional development for teachers.

## Resources for Senior Math

- **Khan Academy** – offers videos that teach concepts and questions to check for understanding. Available free online or as an app.
  - *[www.khanacademy.org](http://www.khanacademy.org)*
- **Blackboard Learn** – Manitoba Education and Training created. Includes notes and assignments for all math courses 9 – 12. Can preview for free online.
  - *[bblearn.merlin.mb.ca](http://bblearn.merlin.mb.ca)*

# *BEST* Resource

- The best resource to help support your child specifically is their teacher.

# Math Skill Development

- Working on procedural and conceptual understanding with PRIME.
- Intervention to fill gaps using Leaps & Bounds.
- Mental math continuation and incorporation.
- Open Questions.
